A Note about Recommended books

You are not required to buy Recommended Books, however, they are listed on the Textbook List because you will need to consult them for your assessment. Another reason to buy Recommended Books is because although the library has multiple copies of books, large classes mean that timely access for all students to the books you need might not always be possible. By buying your own copy you guarantee access to the book whenever you need it for your assessment and learning.

Order through Queensland Theological College before 17 June 2017

Or if buying your own textbooks, try:

- www.bookdepository.com Free postage and competitive prices
- Amazon www.amazon.com
- Koorong Books, 7 Broadway Street, Woolloongabba, Brisbane www.koorong.com.au - Koorong offer a 15% discount to Theological Students upon presentation of student ID card or confirmation of enrolment letter.

For out of print books try:

- Rockdale Christian Books -Ph: (02)4887 7024 or search their website at www.rockdalechristianbooks.com
- ABE Books www.abebooks.com
- Biblioz at www.biblioz.com.au/main.php or Book Finder at <http://www.bookfinder.com/>

QTC Students are free to source their textbooks directly from suppliers such as Koorong, Book Depository or Amazon. On the whole because of the discount QTC receives at Koorong and the Reformers Bookshop, anything sourced from there is usually cheaper. Students are free to buy the eBooks, Kindle version etc. of the books listed.
